

Ontario Cancer Research Ethics Board N2/CAREB REB SOP Addendum

OCREB has adopted the N2/CAREB REB SOPs. However, in order to reflect specific OCREB requirements, this addendum must be used in tandem with the SOP noted below*.

N2/CAREB SOP 701 – Informed Consent Form Requirements and Documentation

SOP Section	OCREB Addendum
5.1.8 N/A	5.1.8 added To facilitate compliance with OCREB’s long-standing controlled honour-system for the implementation of consent forms at the centre, and to present consistent information to all study participants in Ontario, each centre must adopt the OCREB approved provincial consent forms with the addition of the authorized pre-approved administrative changes only. Centres are not required to submit their centre consent forms to OCREB. OCREB does not review centre consent forms. Refer to the “ <i>Guidance for pre-approved administrative changes</i> ” on the OCREB website for details.
5.2.2 Oral consent: If applicable/acceptable, a qualified interpreter fluent in both English and the research participant’s native language orally interprets the REB approved English consent form to the research participant. The interpreter should be an impartial person. When the person obtaining consent is assisted by an interpreter, the interpreter must sign and date the consent form;	5.2.2 Oral Consent: If applicable/acceptable, a qualified interpreter fluent in both English and the research participant’s native language orally interprets the REB approved English consent form to the research participant. The interpreter should be an impartial person. When the person obtaining consent is assisted by an interpreter, the interpreter must sign and date the consent form; Additionally: The interpreter may be in person or remote. If the interpretation is conducted remotely the name of the interpreter and the date of the interpretation must be documented in the consent form by the study staff and information of the interpreter will be included in the study file including contact information.
