

Certificate of Translation (CoT) for [EDJ Associates]

This is to certify on behalf of Lionbridge Technologies that the translations of the documents listed below were performed by professional medical translators, who are fluent in both source and target language and native speakers of the target languages, in accordance with Lionbridge ISO certified quality processes. To the best of Lionbridge's knowledge, the translations accurately represent the corresponding source text in meaning and intent, and no content was added or is missing.

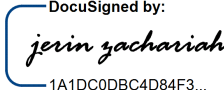

Where review of the translated content by the customer has been included as part of the translation process and where such review has resulted in the changes to the translated content which make it deviate from the corresponding source text, meaning or intent, those changes or the impact thereof remain the sole responsibility of the customer.

The above certification statement does not apply to any translated content that has been altered, adapted, changed, or otherwise modified in any manner or to any degree following the delivery of the final translated documents (as referenced by this Certificate) by Lionbridge Technologies to the customer.
